Portfolio Site: <https://timjossund.com>

## OBJECTIVE:

To secure new contract/part-time or even fulltime, I would consider making a move if the opportunity is right. I am a reliable and results-driven software engineer with 15+ years of experience with a strong focus on frontend languages. Adept at developing software for businesses, optimizing performance, and collaborating with cross-functional teams. Seeking to leverage my skills in software engineering and to contribute to innovative projects and drive technical excellence.
